RAIDERS

OVERVIEW

COACH'S CLUB

The Coach's Club has been formed to raise funds and help drive the club's growth on and off the field. This group of the Raiders most devoted members is vital to our sustainability.

It ensures our football department can achieve its strategic goals while allowing the players to develop and perform at their best.

With Ricky Stuart at the helm again for Season 2023 our prospects have never been brighter. Join the Coach's Club and be part of the inner sanctum at the Canberra Raiders and at the same time support the Raiders Foundation.
